

# FWC22 Prediction Game

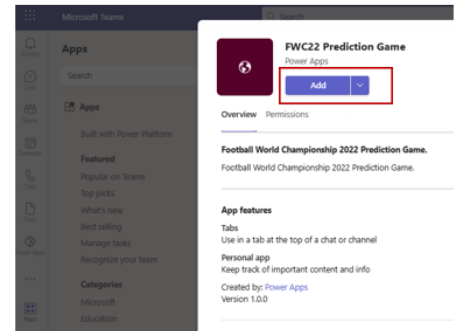

## How-To-Guides (Users)

### Step 1: Install the FWC22 Prediction Game

Find and add the game app at your **Teams App store** or click the app link that your admin shared!

### Step 2: Submit your prediction for the Groups and Knockout Stages

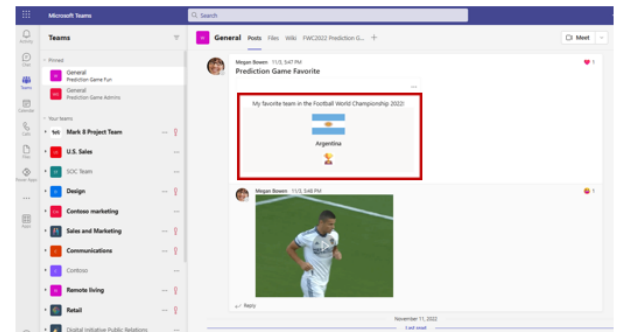

Select the **first** and **second** team for each of the **8 groups**, and the **winner** for the **rounds**

### Step 3: Share your favorite teams and join conversations

Share your **favorite** team of the Football World Championship 2022!  
Join the conversations in FWC22 Game Fun conversations channel!

### Step 4: Check the results and leaderboard and see where you rank!

Game admins will set the **results** during the tournament.  
Check **your rank** on the **leaderboard** throughout the tournament!
